# *Class History*

In the fall of 1955, some 200 boys and girls entered the "Halls of Learning" to begin an adventure that they will long remember.

We worked our way through the 8th grade for the long awaited day—Commencement.

In the year 1963, we were dubbed "Green Freshman" thus branding us as the looked-down-upon Underclassmen! We ended the year with our Freshman Eighth grade party.

On entering the role as Sophomores we soon learned what an INCISION was, under the direction of Mr. Frizzell. We roamed the hills of the Great Smoky Mountains in search of wild flowers. Most of us survived but we still have the scars from poison ivy.

The year 1965-66 brought us honor as Upperclassmen! We are still amazed that we made it through U.S. History under the rule of our coaches. We also learned the "Wright" way. As the year was drawing to a close, we topped it off with the Junior-Senior Prom, the theme of which was "With a Song in My Heart." On move-up day we realized we had finally made it.

We started our Senior Year off with our magazine sales drive which was a great success. The year was filled with great anticipation for our rings, our Washington trip, and finally—Graduation! We sadly realized that this was the end of our days at good ole Swain High, but it was also the beginning of our embarkment on the vast oceans of our adult life.
